ORAL ORDER:

This writ petition is filed seeking a direction to the respondents to conduct interview to the petitioner for the post of contract junior lineman on yearly contract basis in Nalgonda circle.

The case of the petitioner is that he possess the qualification of SSC and Diploma in Electrical and Electronics and working as an ITI Assistant Operator at Thungaturthy sub station under a contractor from 1.12.2001 onwards and applied for the post of contract junior lineman on yearly contract basis in Nalgonda circle. He was issued with call letter dated 18.5.2007 to attend to the interview on 2.6.2007, however he could not attend the interview on the said date. He alleges that he met with an accident while returning to home after attending the work on 31.5.2007 and sustained fracture injury to his leg and could not attend the interview on 2.6.2007 and informed the authorities about the accident. The petitioner now claims that he was totally recovered from the fracture injury and is in a position to attend the pole climbing test and requested the authorities to conduct pole climbing test. Since no action is taken, the present writ petition is filed.

Heard the learned counsel for petitioner and learned Standing

Counsel for respondent corporation.

The direction sought by the petitioner to respondents to conduct a fresh and separate pole climbing test to him on the ground that he could not attend the pole climbing test on schedule dated i.e. 2.6.2007 due to accident, if granted would be opening flood gates for the candidates who have not attended the interview on the schedule date due to various reasons and they would also come with similar such requests. There is also no provision, which enables the respondents to conduct a special interview for the petitioner on the ground of ill-health on the scheduled date of interview.

There are no merits in the writ petition warranting interference of this Court. Accordingly, the writ petition is dismissed. No costs.
